COMPLIANCE DECLARATION FOR THE TRANSPORT OF EXPLOSIVES

_____ will take responsibility for the transportation of consignments which contain Division 1.3 and Division 1.4 explosives, as described in the Australian Explosives Code 3rd Edition (AEC), by road and rail which are classified as Category 1 (Low Risk) as determined by the AEC under the following conditions:

- 1) Howard & Sons Pyrotechnics (Manufacturing) is licensed to sell explosives. Licence Number: (XMNF100023).
- 2) The above tracking number complies with the following criteria:
 - a) The Net Explosives Quantity (NEQ) weight for this consignment has been determined by the use of a commercial grade scale and the accurate NEQ weight is stated on the consignment note by the consignor.
 - b) This consignment contains only Division 1.3 and / or Division 1.4 explosives.
 - c) The NEQ for this Division 1.3 and / or Division 1.4 consignments has been packaged in compliance with the Division 1.3 standard (AEC Table 2.1) for the transportation of Category 1 (Low Risk) explosives as prescribed in the AEC (Less than 50 kg of NEQ) by the consignor. d) All packaging, labeling, compatibility, documentation and other conditions for this consignment have been undertaken by the consignor in compliance with the AEC.

This is to certify that the above named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the Australian Explosives Code 3rd Edition (AEC), by road and rail.
